GROUP

Maximo & Mobility – Traditional Solutions

- Long Time to Value
  - At least 6 months

- Server based applications
  - Requiring server procurement
  - Installation period
  - Purchase Orders
  - Training

- Expensive

Maximo Mobility & A3J Group

- We saw a market for fast, easily accessed mobile solutions

- Target specific functionality

- Put it on the app stores for easy access and set up

- Keep pursuing the idea that mobile Maximo should be as easy as apps in other industries
